IOWEALTH HYBRID CORN

King of All Hybrids

See Catalog Page 20 for Description

We stock four maturities of Iowealth Hybrid.

“S” matures in about 90 days;
“A” matures in about 100 days;
“AQ” matures in about 105 to 110 days;
“No. 25” matures in 120 days.

It is important to order the corn to fit your season as near as possible. The later maturing the deeper the kernel and heavier yield. When ordering, use these symbols. “S”—“A”—“AQ”—and “No. 25.”
